Winter Club parking lot
4611 14 St NW

Beginning and ending at the trailhead located in the furthest west parking lot behind the Calgary Winter Club – the 1.2, uneven loose-rock trail is a steep climb requiring moderate level of fitness and sturdy, closed-toe footwear.

Surrounded by views in all directions, participants will be completely exposed to the sun, precipitation and/or wind of the open prairie for the duration of the walk; and are advised to consult local weather forecasts, dress in warm layers, and pack plenty of water. Strollers are not recommended, and pets are best left at home. Seasonal washrooms are only available at the trailhead in the parking lot.
